New Year's Wish

I would like to take this opportunity to wish all of you a Very happy New Year. The year ahead is one of great promises. But there will be challenges to meet. And I am sure our Jaypee Family will give its level best as always to meet those challenges and reach all heights of success.

From HR

This New Year this is my wish for all of my colleagues:

To leave the old with a burst of song;
To recall the right and forgive the wrong;
To forget the things that bind you fast
To the vain regrets of the year that's past;
To have the strength to let go your hold
Of the not worth while of the days grown old;
To dare go forth with a purpose true,
To the unknown task of the year that's new;
To help your brother along the road,
To do his work and lift his load;
To add your gift to the world's good cheer,
Is to have and to give a Happy New Year
